ECONOMY CAFÉ BARRIER

The economy outdoor barrier with a black finish and high-quality fabric graphic

- Steel components with powder-coated black finish.
- 350mm diameter base.
- Includes 1500mm-wide graphic (printed either single-sided or double-sided).
- Bespoke-printed graphic printed on Display Polyester.
- Either full kits or extension kits available.
- Both single-sided and double-sided graphics include a pole pocket along the top, with eyelets in the bottom corners.
- Supplied with a cross bar for the top of the graphic, and spring clips for the bottom corners of the graphic.
- Double-sided graphics are finished with a blackout lining between sides to prevent light show-through.
- Double-sided graphics are finished with no visible horizontal stitching for a more seamless look than many other Café Barriers. This allows a design to make more effective use of the entire printed area.

Specification

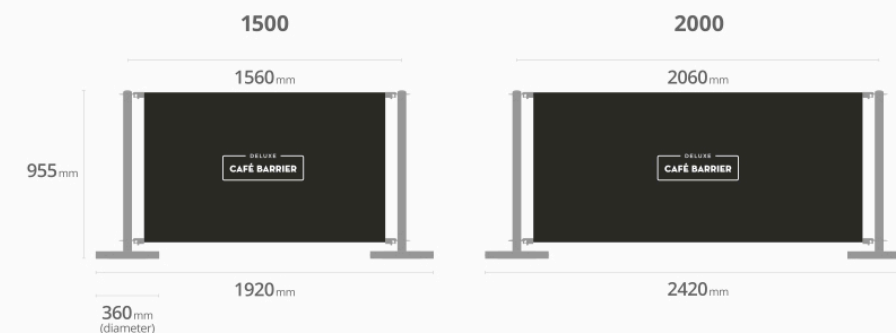

DELUXE CAFÉ BARRIER

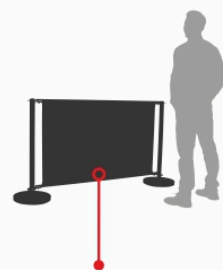

The deluxe outdoor barrier with a chrome finish and high-quality fabric graphic

- Stainless steel components with chrome finish.
- 350mm diameter base.
- Includes bespoke printed graphic (either 1500mm/2000mm wide and printed either single-sided or double-sided)
- Bespoke-printed graphic printed on Display Polyester.
- Either full kits or extension kits available.
- Both single-sided and double-sided graphics include a pole pocket along the top and a pole pocket along the bottom.
- Each kit is supplied with two cross bars.
- Double-sided graphics are finished with a blackout lining between sides to prevent light show-through.
- Double-sided graphics are finished with no visible horizontal stitching for a more seamless look than many other Café Barriers. This allows a design to make more effective use of the entire printed area

TORQUE

Indoor Banner Stand

A cost-effective free-standing display

A superb and more cost-effective alternative to a Pop-Up Exhibition Display. The Torque stand will enable you to have a free standing graphic up to 2400mm wide and 2400mm tall.

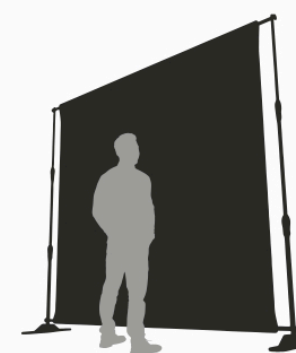

- Includes 2400mm x 2400mm bespoke-printed graphic on 440gsm PVC
- Can be supplied with graphic at any size up to 2400mm x 2400mm (please specify if a smaller size is required)
- Graphic supplied with 40mm diameter pole pockets along top and bottom edges
- Telescopic poles for adjustable height and width
- Quick and easy to assemble
- Carry bags for convenient transportation

As the double-sided version of this product features a double-sided graphic, two separate designs can be supplied (one for each side) at no extra cost (versus one design one both sides).
